BLANCO Unveils Workstation Sink That Anticipates Your Every Move

Experience culinary bliss. Inspired. Intentional. INTEOS.

LUMBERTON, NJ / TORONTO, ON [February 12, 2025] – [BLANCO](#), the premium kitchen solutions brand backed by 100 years of German engineering, is proud to announce the launch of [INTEOS](#) at the Kitchen & Bath Industry Show (KBIS), Feb. 25-27, at the Las Vegas Convention Center. INTEOS is a revolutionary workstation sink designed to simplify your workflow, keep you organized and transform your kitchen into moments of culinary bliss.

Keeping It Simple

With a curated selection of accessories and thoughtfully planned range of sink models, INTEOS maintains clean, uncluttered design while offering maximum workstation function.

- **Accessory Compatibility:** Designed to fit every INTEOS sink model, regardless of size or material, INTEOS accessories offer a simple and straightforward selection process.
- **Multi-purpose Accessories:** Our simplified offering with oven-safe trays means our accessories are designed for frequent use, eliminating the need for unnecessary items.
- **Stack & Store:** Accessories can be stacked to one side or stored neatly below in the INTEOS Organizer Bag, keeping the workstation organized and clutter-free.
- **Steel or Stone:** Every INTEOS model is available in stainless steel or SILGRANIT®, with size options of 30", 33", 39" and 45". Each sink size features a uniform cutout for both materials, simplifying the design and kitchen planning process.

Keeping It Inspired

Our adaptable accessories not only simplify meal prep and baking but also elevate your dining presentation. Directly from your sink, create stunning food displays that streamline serving and save precious counter space. INTEOS is a culinary showpiece that will wow guests at every gourmet gathering.

Keeping It Intentional

INTEOS goes beyond basic meal prep with a curated selection of accessories that work harder and do more. With three included accessories—a cutting board, large colander and accessory holder—plus six optional add-ons like the INTEOS Organizer bag, dish rack and oven-safe trays, INTEOS seamlessly guides you through the prep, bake, serve and clean process. The Stack & Store system keeps items within reach when you need them and out of sight when you don't.

“With around sixty percent of time in the kitchen spent at the sink, it's essential for this space to be as functional as possible,” said **Lars Christensen, Vice President of Product Strategy & Market Intelligence for BLANCO North America**. “With INTEOS, we've reimaged this vital space to offer more efficiency and intention, allowing homeowners to create a kitchen that effortlessly anticipates their every move.”

Culinary Powerhouse

Pair INTEOS with a sleek BLANCO CULINA II faucet, water filtration system, garbage disposal and clever under-sink storage solutions to create the INTEOS BLANCO UNIT, the ultimate culinary powerhouse. This cohesive solution redefines kitchen efficiency, turning everyday workflows into extraordinary kitchen experiences.

About BLANCO

BLANCO offers system solutions for the water place in residential kitchens. The BLANCO UNIT is synonymous with functional systems in complementary designs, consisting of sinks, high-end faucets, meal prep accessories, and below the sink water filtration, waste and base cabinet organization systems.
