Intended Use: A & B Direct Showroom Customers

404013 24" x 10" Acrylic Wall Signs

Each sign is packaged with slatwall brackets and double-sided adhesive to be applied directly to the wall. Please note that the adhesive is strong and may cause damage to drywall upon removal.

Looking for other signage opportunities?

Please reference our [Showroom Poster Program](#). We offer ready-to-use poster files designed to help create a complete branded BLANCO area in showrooms.

Email Amanda.Flores@blanco.com and copy your Regional Sales Manager with:

- Your chosen poster collection or standalone designs
- Wall measurements
- A picture of the display(s) and wall space the posters will occupy

Designer Chip Pouch:

Intended use: Interior Designers, Sales Reps & Showroom Customers to use for Interior Designer events

Important Note: For Designer Chip Pouches, you can [click here](#) to access PDFs of sample postcards designed for handouts at designer events.

These postcards are perfect for promoting BLANCO finishes at events. Samples will be sent directly to designers. Additionally, designers will have the opportunity to opt into BLANCO email communications to stay informed about new and exciting updates. Upon request, we can provide insights on how many designers were reached during your events, ensuring you can track your outreach success.
