ACCESSORIES FOR TWO TIER DISPLAYS

TURN EVERY DISPLAY INTO A COMPLETE SOLUTION

Combine Sink Accessories to Showcase the Best BLANCO Sink Offering

(3 accessories max for top sinks)

- **Bottom Grid**
- **Floating Grid/Foldable Grid/Cutting Board/Colander**
(Alternate options throughout available sinks)
- **CapFlow** for a few sinks if more than one display.

- **NOTE:** Strainers will automatically ship with all sinks

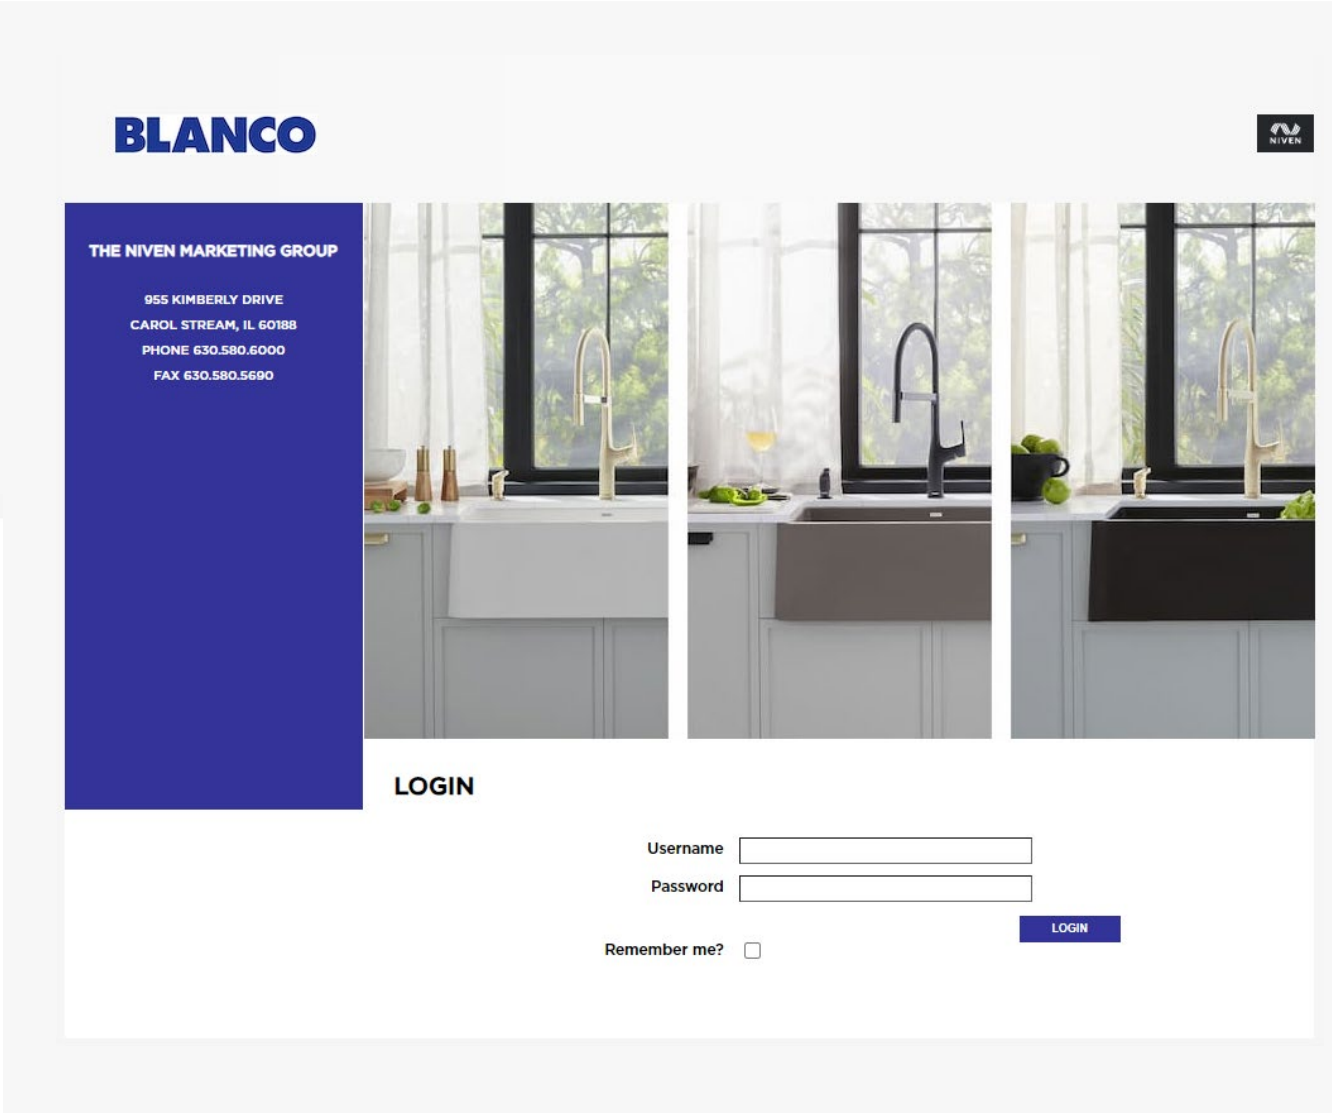

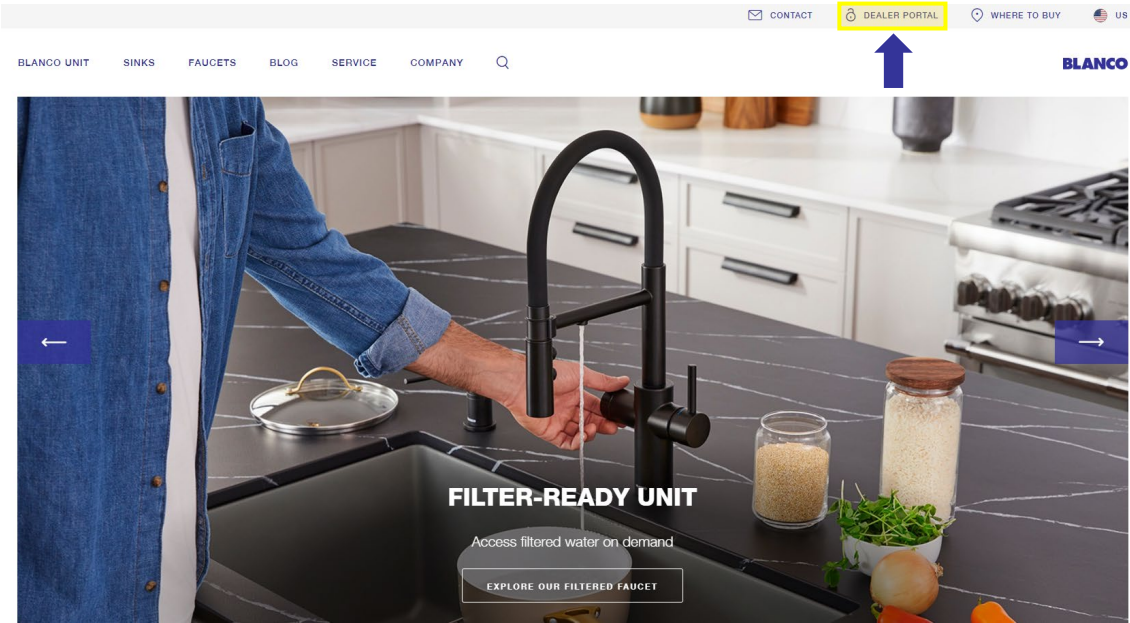

How To Order

Place your order online with our [Display Portal](#):

- PO number can be added to your order
- All items for the display can be ordered using one system
- All BLANCO product will ship together with the displays

Access the Display Portal link via the [BLANCO Dealer Portal](#).

- After logging in, go to the top right corner of the page to click on Resources, Marketing Resources, and Literature & Support
- Scroll down to view the 'Order Displays' section

DISPLAY INSTALLATION

GUIDELINES FOR PROPER SETUP AND EXECUTION

- Displays will **ship assembled** with only the countertops and product needing to be installed
- **Installation instructions** available for reference on the Display Portal
- Local Sales Reps and BLANCO Regional Sales Managers are responsible for setting up displays to support our Registered and Premier Showroom partners
- Questions about installation can be directed to blanconiven@niven.net

PLACING BRANDED DISPLAY ORDERS – WHAT’S NEW

GOAL: MAKE ORDERING EASIER, FASTER, AND MORE STREAMLINED FOR YOU.

- **Simplified Display Selection**
 - No more differentiating between Premier and Registered showrooms
 - Select display types directly
- **Expanded Finish Options** for all sinks and faucets
- **Manual Entry for Billing & Shipping**
 - Enter all Bill To and Ship To information directly
 - No need to add new showroom locations in the Fulfillment Center
 - Enter the **BLANCO Sold-To number** in the billing section for proper invoicing
- **Faucet Pods** will now be ordered through the Training & Display Request Form
- **Shipping Update**
 - All branded displays and Faucet Pods will now ship directly from BLANCO
 - Timeline to receive displays remains the same
 - Shipping notifications will now come from BLANCO (instead of Niven)
